LIMRA's Rewards and Recognition Program for Agents and Managers

Elevate your team's success and drive quality business.

Dedicated to fostering quality and driving superior business outcomes, LIMRA's Reward and Recognition programs enable you to reward and motivate your top-performing advisors and agency managers, while setting new standards of excellence across your entire organization.

Valued worldwide as a symbol of professional excellence and quality business.

- **Quality-Centric Culture:** Immerse your organization in a culture of quality. LIMRA's programs reward top achievers, motivating consistent delivery of quality outcomes.
- **Simplified Success Metrics:** Establish clear, streamlined success metrics emphasizing quality. Shape your sales culture around key indicators, ensuring alignment with the highest standards.
- **Globally Recognized Awards:** LIMRA's awards are global symbols of quality excellence, demonstrating a commitment to superior performance.
- **Rewards for Quality Leaders:** Inspire your team with coveted rewards for top-performing advisors and agency managers committed to quality business.

International Quality Award (IQA) motivates and rewards advisors who contribute to your company's success through their quality of business and sales volume.

International Award for Productivity (IAP) inspires and acknowledges the efforts of advisors who significantly contribute to your company's success by achieving substantial sales volumes.

International Quality Management Award (IQMA) is the only internationally recognized emblem of excellence for agency managers. It represents the gold standard for rewarding and motivating managers working to achieve your agency objectives.

This program is available only to LIMRA member companies with elite, integrated, or distribution-advancement memberships.

International Quality Award

Overview:

Those who earn this prestigious award receive:

- Certificates or plaques upon qualification and every five years following. Seals or medallions are awarded during intervening years
- The right to display the IQA digital badge of professional excellence on their business cards and/or emails. Digital badges are now verifiable on the verify.limra.com website

IQA Ten Year Ribboned Medal

- Ribboned medals are an optional offering for recipients who have successfully received the IQA award for ten years. These medals mark a recipient's ten-year milestone.

Award Requirements:

Qualifying Method

- **Minimum Production Level** — The number of paid-for life and pension (annuity) policies in two consecutive years. This requirement varies by country. See the section below for details.
- **13-Month Persistency Rate** — The percentage of paid-for policies on which some portion of the second-year premium has been paid. This requirement varies by country. See the section below for details.

Definitions

13-month persistency rate — The percentage of paid-for policies on which some portion of the second policy year premium has been paid. For example, a policy would qualify as persisting if (1) a second annual premium is paid, (2) a third semiannual premium is paid, (3) a fifth quarterly premium is paid, or (4) a 13th monthly premium is paid.

Production — The number of paid-for life and pension policies, which must be at least 40 policies in each of the last two consecutive years (current year minus 1 year, current year minus 2 years). The applicant must have written at least 40 paid-for individual life and personal pension annuity plans in each year (current year minus 1 year, current year minus 2 years). Excludes group insurance, single premium, and "not-takens."

IQA Award Calculations:

Sample Persistency Calculation Form

Sample Requirements

SILVER		GOLD		PLATINUM	
# Paid-for Life Policy per Year	13-Month Persistency	# Paid-for Life Policy per Year	13-Month Persistency	# Paid-for Life Policy per Year	13-Month Persistency
30	85%	40	85%	50	90%

For example

John Williams wrote **72** policies in 2022 and **65** in 2013.

Seven of those written in 2022 terminated during their first 13 months.

John had **65** out of 72 policies still in force for a persistency rate of **90 percent**:

1. Record the total number of policies written in 2022	72
2. Record the total number of policies written in 2023	65
3. Report the number of policies written in 2022 (line 1) that lapsed or terminated prior to 13 months (see definition above)	7
4. Subtract line 3 from line 1 to determine policies still in force	65
5. The persistency rate is the number of policies in force (line 4) divided by the number of policies paid for (line 1). A minimum of 90 percent is necessary to qualify	90%

John is eligible for IQA PLATINUM (more than 50 policies written per year; 90 percent persistency).

IQA Level Calculator Tool

An optional tool is available in the IQA order form to help calculate the correct IQA level.

To calculate appropriate levels, complete the following columns:

- Number of Paid-for Life Policies Year 1
- Number of Paid for Life Policies Year 2
- 13-Month Persistency (As a percentage)

The form will then calculate the number of paid-for life policies per year and provide the suggested award level.

Ten Year IQA Medal

Digital Badges

International Award for Productivity

Those who earn this prestigious award receive:

- Certificates or plaques upon qualification. Seals or medallions are awarded during intervening years
- The right to display the IAP digital badge of professional excellence on their business cards and/or emails. Digital badges are now verifiable on the verify.limra.com website

LIMRA's IAP is recognized worldwide as a mark of professional excellence. Agents will strive to qualify for the recognition on a yearly basis by demonstrating superior performance levels and persistency rates — contributing to individual and agency success and a quality client experience.

Award Requirements

Qualifying Method

- **New Policies Written** — The number of new policies written in the year prior to applying for the award; must have at least one annualized premium per new policy. See the level requirements below:
 - **Silver Level** — Minimum of 25 new policies written
 - **Gold Level** — Minimum of 50 new policies written
 - **Platinum Level** — Minimum of 100 new policies written

Definitions

New — A new policy issued during the year.

Annualized premium — During the year the new policy issued has received at least one modal premium (modal premium can be a monthly, quarterly, semi-annual, or annual payment).

Note: Premium is irrelevant for the IAP award. The IAP is strictly based on the number of new paid-life policies.

The new annual premium is only taken into account as a way to verify that any policies issued during the year that collect a modal premium (for example, monthly, quarterly, semi-annual, or annual) would qualify toward the policy count.

Note: If a company does not annualize premiums, then this would be based on first year premium (FYP).

Digital Badges

How to Receive Your Digital Badge

Requirements — Digital badges are a free product enhancement that are included with all IQA, IAP, and IQMA awards, *if the award winner's work email is provided in the order form.*

Email Requirements — The work email of each award recipient must be included in the order form at the time of order submission. Emails will not be accepted after the order has been processed.

Distribution of Badges — Badges will be emailed directly to each award recipient five weeks after the order is submitted. Emails for each qualifier must be unique.

How to Access Digital Badges

Step One: Save Badge Image — When badges are earned, the qualifiers will be notified by email. Their badge images will be attached to those emails as .PNG files. They can simply download or save the attached .PNG file to their local computers.

Step Two: Claim Verifiable Identifier:

1. Qualifiers should go to our secure verification site — verify.limra.com.
2. They should enter their emails and tap or click “Search.” (The same email at which the digital badge email notification was received should be used.) The verification site will list all of the current badges issued to the qualifier by LIMRA, as well as basic details about when they earned the designation that the badge represents.
3. The qualifier should tap or click “View Badge” under the badge image to see more detail about the badge.
4. The URL of the “View Badge” screen should be copied — this is the unique identifier that qualifiers will use to verify that they have earned the designation that the badge represents.

Logo Use Agreement

The digital badges (“Logos”) presented on this page and the designations they represent are trademarks (collectively “Marks”) owned by LL Global, Inc. (“LL Global”). LL Global hereby grants to Recipient a limited, non-exclusive, nontransferable license to use the Logo(s) on their social media websites, business cards, and/or stationery. In exchange for the rights to use the Logo(s), Recipient agrees to provide LL Global with his/her email address. Any other use of the Logo(s) without the express written consent of LL Global is prohibited and may lead to withdrawal of the right to use the Logo(s). Recipient agrees that the use of the Logo(s) is not nor may it be used as a stated or implied LL Global endorsement of Recipient, including but not limited to the financial position of Recipient and the treatment of Recipient’s customers. Recipient may decrease or enlarge the Logo(s), but agrees not to alter or obscure it in any other way. LL Global reserves the right to audit the Recipient usage to ensure compliance.

How to Display Digital Badges

On LinkedIn profile as credential

1. Qualifiers can log in to their LinkedIn accounts, then go to their profiles.
2. In the “Add profile section” dropdown, they should choose “Background” and then select the “+” next to “Licenses & Certifications.”
 - In “Name” they can enter the award, for example, LIMRA International Quality Award (IQA).
3. In “Issuing Organization” they should enter LIMRA.
 - If applicable, they should select the checkbox next to “This certification does not expire.”
 - (Optional) In “Issue Date” they can enter the time period during which they earned the award.
 - They can leave the “Credential ID” field empty.
4. In “Certification URL” they should paste the URL that they copied in Step 2 from the “View Badge” screen for their badges.

Note: Adding a badge as a license or credential will put the logo of the issuing organization (LOMA or LIMRA) on their profile. Tap or click “See credential” to view the actual badge earned and the verification details

In your email signature

1. The qualifier can navigate to their email’s signature setting to enable editing.
2. Under their name and contact information, they can insert their badge image and skew the image to fit.
3. They will want to hyperlink this image with their certification URL so recipients can view their verification page and learn more about their credentials. They can right click the image they inserted into their email signature and select “Hyperlink...”
4. In the address bar, they should paste their certification URL and click “OK.”
5. They need to save these edits to their email signature to confirm their digital badge is now included in their email signature.

LinkedIn page as a post

1. Qualifiers can log in to their LinkedIn accounts.
2. Click “Start a post.”
3. Enter the text they wish along with the certification URL.
4. Add their digital badge image to the post by selecting the camera button and uploading the image.

On a Business Card
